

49th Annual Conference of Indian Immunology Society Pre-conference Workshop on Flowcytometry and its Applications in Research

Organized by
Post Graduate Institute of Medical Education & Research (PGIMER), Chandigarh, India
in Association with
Trust for Education and Training in Cytometry (TETC), India
22nd November, 2022

PROGRAM

09:00-09:15: Inauguration and Welcome
09:15-10:15: Basics of Flow Cytometry—**Himanshu Tillu**
10:15-10:45: Applications of Flow Cytometry in Biomedical Research—**Naresh Sachdeva**
10:45-11:15: Tea Break
11:15-13:00: Designing of a Flow Cytometry Experiment—Do's and Don'ts—**Hemant Agrawal**
13:00-14:00: Lunch Break
14:00-14:45: Overview of the Instrument—**Badri Narayan**
14:45-16:00: Lab Module 1: Cell Cycle and Apoptosis Analysis
16:00-16:15: Tea Break
16:15-18:00: Lab Module 2: Multicolor Immunophenotyping
18:00-18:30: Quiz, Feedback and Valedictory

Workshop Faculty:

1. Dr. Hemant Agrawal
2. Prof. Naresh Sachdeva
3. Dr. Deepak Rathod
4. Mr. Badri Narayan
5. Dr. Himanshu Tillu

TETC Workshop Committee

Workshop Convenor

Dr. Rekha Gour, Co-Founder Trustee, Trust for Education and Training in Cytometry (TETC), India

Workshop Secretary

Dr. Hemant Agrawal, Director-Flow Cytometry Solutions Pvt Ltd, India

Workshop Members

Dr. Aruna Rakha Arora
Dr. Himanshu Tillu
Mr. Jitendra Shandilya
