

The 18th Indo-US Flow Cytometry Workshop
"Flow Cytometry in Nanomaterial Toxicology"
22nd-24th February, 2017
CSIR-Indian Institute of Toxicology Research
Lucknow, U.P., India

Lectures and Wet Labs

- Nanotechnology and Flow Cytometry
- Aneuploidy and Cell Cycle
- Apoptosis and Proliferation
- Functional Assays
- Polychromatic Flow Cytometry
- Micronuclei and Cytokine assays
- Cell Sorting
- Quality Control
- Data analysis and Presentation

Organizing Committee

- Alok Dhawan, Lucknow
Alok K. Pandey, Lucknow
Awtar Krishan, Miami
Zosia Maciorowski, Paris
H. Krishnamurthy, Bengaluru
Rekha Gour, Mumbai
Hemant Agrawal, Jaipur
Vainav Patel, Mumbai

Invited Faculty

- Hemant Agrawal, India
B. S. Dwarkanath, India
Awtar Krishan, USA
H. Krishnamurthy, India
A.B. Pant, India
A. Dhawan, India

- Ashutosh Kumar, India
Zosia Maciorowski, France
B. Narayanan, India
Ritesh K. Shukla, India
A. K. Pandey, India
W. Telford, USA

Venue

**CSIR-Indian Institute of Toxicology Research,
Lucknow, U.P., India**

Registration Fees: Rs. 8,000 (students) and Rs. 15,000 (non-academic and faculty).
