Cachar Cancer Hospital and Research Centre (CCHRC)

24th -26th March, 2019

Workshop Highlights

- Basic and Clinical Flow Cytometry
- Panel Design for Polychromatic Flow Cytometry
- Cell Proliferation and Ploidy
- Multi-color Leukemia and Lymphoma Immunophenotyping
- Minimal Residual Disease Monitoring
- Stem Cell Analysis
- Data Presentation and Analysis

International and National Faculty

Dr. Brent Wood, USA
Dr Zosia Maciorowski, France
Dr. Vivek Tanavade, India
Dr. Hemant Agrawal, India
Dr. Vikas Srivastava, India
Dr. Rekha Gour, India

Organizing Chairpersons

Dr. R. Ravi Kannan

Dr. Awtar Krishan

Organizing Secretaries

Dr. H Krishnamurthy
Dr. Anuradha Talukdar

Workshop Coordinator

Dr. Rajeev Kumar
Dr. Monoj Kumar Deka

Organizing Members

Dr. Vivek Tanavade
Dr. Rekha Gour
Dr. Hemant Agrawal
Ms. Litika Vermani
Dr. Praveen Ravichandran
Dr. Polomi Mekherjee

VENUE

Seminar Room, Cachar Cancer Hospital, Silchar, Assam

Registration Fee

Student: Rs. 1000

Faculty: Rs. 1500

Corporate: Rs. 3000

Please visit www.cacharcancerhospital.org for registration. Last date of registration is January 30, 2019; Registration portal will open from Dec 01, 2018
