Student 1500.00

Academic Delegates 2500.00

Corporate Delegates 3500.00

Note: Last Date of Registration fees till 15th September

15th INDO-US FLOW CYTOMETRY WORKSHOP ON STEM CELLS 2014

DEPARTMENT OF RESEARCH

INSTITUTE OF LIVER & BILIARY SCIENCES

27th October, 2014

Venu: ILBS, D-1, Vasant Kunj, New Delhi-110070

About Institute of Liver and Biliary Sciences (ILBS):

The Institute of Liver and Biliary Sciences (ILBS) has been established by the Govt. of the National Capital Territory (NCT) of Delhi as an Autonomous Institute.

The Institute of Liver and Biliary Sciences (ILBS), New Delhi is the youngest and the newest addition to the already existing network of Medical Universities in India. ILBS has the status of deemed to be a University as it imparts not only quality medical education but is also an international centre of excellence for the clinical care, advance training and research in liver and biliary diseases. ILBS has two parallel streams of research & training programme: Clinical medicine and modern biology.

Laboratory of Clinical & Transplant Immunology and Laboratory of Stem Cell Regeneration is actively involved in advance Research in Liver diseases.
